Underwriters Laboratories Inc.

VERIFICATION OF
FCC PART15 COMPLIANCE

UL hereby verify that the subject product complies with all the
electromagnetic emission specified in the FCC Rule Part 15

Product Description :	**Battery Pack**
Model /Brand Name :	**RESU10**
Multi-listing Model Name:	**N/A**
FCC ID :	**N/A**
Applicant :	**LG Chem, Ltd.** 20, Yeouido-dong, Yeongdeungpo-gu, Seoul, 150-721, Rep. of Korea
Trade Mark :	**N/A**
Type of Device :	**Other Device**
FCC Rule Part(s):	**47CFR PART 15.107(a) / 47CFR PART 15.109(a) Class B**
FCC Procedure :	**VERIFICATION**
Testing Lab :	**ENG Co.,Ltd**
Test Report Reference No. :	**16-11298631-FCC**
Additional Information :	**N/A**

This Battery Pack, Model RESU10 has been tested in accordance with the measurement procedures specified in 47CFR PART 15.107(a) / 47CFR PART 15.109(a) Class B at ENG Co.,Ltd and has been shown to be complied with the electromagnetic emission limits specified in 47CFR PART 15.107(a) / 47CFR PART 15.109(a) Class B.
A testing of the sample product has been investigated and found in conformity with above reference standards as shown in the test report. This verification is only valid for the sample tested based on the reference test report, 16-11298631-FCC.

The client provided all of the samples for inspection by UL. UL did not select the samples or determine whether the samples provided were representative of other manufactured products. UL has not established Follow-Up Service or other surveillance of the product. UL's name and marks shall not be used on or in conjunction with the product. The client and or manufacturer are solely and fully responsible for conformity of all products to all applicable standards, specifications or requirements. The inspection results may not be used, in whole or in part, in any other document without UL's prior written approval.
